

Cultural diversity in health & illness, 2004, 349 pages, Rachel E. Spector, 0130939137, 9780130939135, Prentice Hall Health, 2004

[This] book continues to promote an awareness of the dimensions and complexities involved in caring for people from diverse cultural backgrounds. [It] includes the latest information on the health care delivery system in a new organizational format. It examines the differences existing within North America by probing the health care system and consumers, and examples of traditional health beliefs and practices among selected populations. An emphasis on the influences of recent social, political, and demographic changes helps to explore the issues and perceptions of health and illness today.-Back cover.
