The death of the book has been duly announced, and with it the end of brick-and-mortar libraries, traditional publishers, linear narrative, authorship, and disciplinarity. Captures a moment in one family's life as they enjoy the simple pleasures of a sunny summer's day on the plantation, in a picture book that includes the score of the song. With the increased use of computers, architecture has found itself in the midst of a plethora of possible uses. This book combines theoretical enquiry with practical.
